The lower floor will be remodeled entirely. New shelving and fixtures will be installed and the men's department is to be transferred from the west and of the store to the east end. Wemen's and misses' furnishings will be found on the west side, while in the new space upstairs will be the women's department

An elevator will also be installed. The company is planning to lease the third floor of the building and extend their business still further, a little later on, as soon as other leases run out.

The cost of improvements this fall will be more than \$10,000, while the improvements next spring will far surpass that

Omaha and South Omaha to Have Day at Lincoln Fair

Omaha and South Omaha business men ave only to agree on the date, when they want to go to Lincoln for the state fair this fall. At a meeting at which some twenty organizations were represented at the Commercial clu it was decided that there shall be an Omeha and South Omaha day at the fair again this year, and that every effort shall be put forth toward making it the greatest Omaha and South Omaha day the fair has yet had.

Among the organizations represented were the Commercial ciub, Ak-Sar-Ben, Ad club, bureau of publicity. Rotory club, Elks. Manufacturers' association, University club, and others. The fair is to he held the second week in September. An automobile run is to so planned from Omaha for the special day, and special trains are to be arranged for.

City Within Itself Pitches Its Tents -Grand Parade to Pass Through Omaha Streets Monday Morning.

The circus is here.

whole joyous day of elephants and pink 400 artists. temonade.

The first of the four circus trains Lincoln Men Will before dawn. As fast as the sections arrived they were shunted onto sidings at Fourteenth and Nicholas streets. There the unloading took place and a continu ous cavalcade of wagons, red and golden charlots and all the rainbow trappings of Spangletown wended its way from the tracks to the Twentieth and Paul streets show grounds.

Scattered groups of youngsters and hose grown-ups who are always Peter Pans when the circus comes to town were on hand when the first train pulled in mar the viaduct. They watched and marveled at the precision of the unloading rocess, There was neither lost time nor motion in getting the vast show equipment from the cars to the show grounds. The grinding brakes of the incoming trains seemed as signals. The interior of sleepers was astir in a twinkling. Men

Start for the Grounds. strects. And there is always that peculiar to them. something about the neighing of the horses, the deep rumble of the wagon wheels and the clanking of the harness; with that indescribable longing for the white tents which, for want of a better phrase, is called "red wagon fever."

At the old circus grounds the scene is one of methodical turmoil. Men empty huge wagons and begin pitching the dining and cook tents and stables. One mammoth affair on wheels opens its sides and, behold! there is a twelve-foot range, which twenty minutes later has been fired and is alive with sizzling eggs and bacon. Another wagon discloses a mammoth boller that as quickly emits steam which, East to Stock Up boller that as quickly emits steam which, carried to immense caldrons by means of cose, is merrily beiling potatoes or turn-L.
